“DAILY FAT BURNER WITH ADDED ENERGY AND MOOD SUPPORT.”

WHAT IS B4™?

B4™ is a dual sports performance supplement that not only works as a pre-workout but as a weight-loss supplement as well. That's right, double duty. **The exclusive combination of cutting-edge and non-commercialized ingredients can positively affect your mood, increase your focus, and heighten your energy levels, while supporting weight loss simultaneously.*†**

WHY IS IT BETTER?

B4™ provides the energy needed to drive your workouts while also promoting weight loss. Additional benefits include: increased focus, increased metabolism, heightened stamina and endurance. **Perfect to take as a pre-workout before training, as a mid-day energy boost, or on a non-training day for continued support of fat burning.*†**

WHAT'S IN IT?

CNS STIMULANT

Central nervous system stimulant that keeps you focused and energized.*†

DOPAMINE MODULATOR

Enhances motor control and motivation as well as increases endurance performance during workouts.*†

ADIPOSE TISSUE REGULATOR

Targets those areas where it's harder to lose fat (around the waist and hips) and aids as an energy source.*†
