**SERVINGS PER BOTTLE:** 30

**“THIS MENTAL ENHANCEMENT FORMULA IS A POWERFUL COMBINATION OF HIGH-QUALITY, PROVEN INGREDIENTS THAT MAY HELP BOOST COGNITIVE FUNCTION, MEMORY AND AWARENESS”**

### WHAT IS FOCUS MIND CONNECTION?

As we age, cellular communication breaks down. This can lead to feelings of mental foggy, a lack of energy, and lapses in memory. Focus Mind Connection was created to jump start your neural functions and help you perform at your best again. By supporting communication in the brain, you may experience a renewed sense of well-being, energy and confidence. Focus Mind Connection may also help fight off free radicals associated with aging.<sup>†</sup>

### WHY IS IT BETTER?

With so much going on in the world around us, it's easy to lose focus or forget things nowadays. As we age, it only gets worse. Focus Mind Connection is formulated to help you reclaim the mental clarity and sharpness of your younger days. Take it to prepare for busy days when you need to be at your best, and reenergize your mind, body and soul.<sup>†</sup>

### WHAT'S IN IT?

#### Niacin

Niacin, also known as B3, enhances central dopaminergic activity, which improves brain function for better focus and coordination. It may also help increase energy.<sup>†</sup>

#### Vitamin B12

This vitamin may improve memory and mental clarity.

#### Glycine

Glycine acts as an inhibitory neurotransmitter, making it capable of improving mood and cognition.

#### D-Ribose

D-ribose can help replenish the metabolic energy needed by all of our cells, including the brain.

#### Phosphatidylcholine

Using phosphatidylcholine to produce acetylcholine, which is important for memory.

#### Alpha GPC

This advanced nootropic is the most effective source of choline. Choline increases acetylcholine in the brain, which is responsible for every cognitive function.

## Supplement Facts

Serving Size 1 Scoop (5 grams)  
Servings Per Container 30

Amount Per Serving	% Daily Value
