“BOOST YOUR WATER WITH BEST AMINOS™ TO GET EXTRA AMINO ACIDS TO HELP IMPROVE PERFORMANCE, LEAN MUSCLE BUILDING AND RECOVERY.”

WHAT IS BEST AMINOS™?

Best Aminos™ liquid water enhancer contains a blend of amino acids to help with performance and recovery. Amino acids are the building blocks of protein and play a critical role in helping you achieve your fitness goals. By increasing protein synthesis, amino acids can help you build lean muscle, prevent muscle breakdown and speed recovery. Best Aminos™ liquid water enhancer now allows you to get more amino acids in a delicious, sugar-free, calorie-free beverage. Simply add a squirt to your water and go!†

WHY IS IT BETTER?

BPI Sports' new line of water enhancers makes supplementing on-the-go fun and easy! These delicious flavor boosters are made to add to your water or favorite beverage and can provide you with additional benefits such as increased energy, focus, weight loss or recovery. These easy and convenient bottles come in great-tasting flavors and are made with only the highest quality ingredients. Plus, they have zero sugar and zero calories! Grab on today – just squeeze and go!†

WHAT'S IN IT?

BRANCHED-CHAIN AMINO ACIDS (BCAAS)

Leucine, isoleucine and valine are the three essential amino acids known as the branched-chain amino acids, or BCAAs.†
