

## THIS IS THE STACK!

### ANABOLIC & ANDROGENIC SUPPORT STACK†

- TESTOSTERONE SUPPORT†
- ANDROGENIC / ANTI-ESTROGENIC†
- BIO-LIPID DELIVERY SYSTEM†

A-HD ELITE™ (500mg)  
**SERVING SIZE:** 1 Capsule  
**SERVINGS PER BOTTLE:** 30

SOLID™ (550mg)  
**SERVING SIZE:** 1 Capsule  
**SERVINGS PER BOTTLE:** 30

**“TESTOSTERONE BOOSTING STACK TO HELP ACHIEVE A LEANER, MORE MUSCULAR PHYSIQUE WHILE INCREASING LIBIDO.”**

#### WHAT IS A-HD ELITE™?

A-HD ELITE™ is an extremely powerful testosterone supporting agent designed to promote testosterone levels and muscularity. The unique ingredient profile of A-HD ELITE™ is backed by research and is designed to support a healthy anabolic state.†

#### WHAT IS SOLID™?

SOLID™ is an advanced body-fat deconstructing agent. Its novel class of naturally-occurring compounds are specifically designed to get you contest ready.†

#### WHY IS THIS STACK BETTER?

The formulas in A-HD ELITE™ and SOLID™ are ultra concentrated so you only need one small dose a day. That's it. You don't need to take 2-6 capsules at a time like most products on the market. **The A-HD ELITE™/SOLID™ stack is formulated to put your body in an optimal state for muscle growth, strength gains, balanced testosterone levels, increased libido, and lower body fat levels.**†

#### WHAT'S IN IT?

##### A-HD ELITE™ PROFILE

###### ZINC

Zinc is a biologically essential trace element and is the second most abundant trace element in the body. It is a cofactor in many biological processes including protein synthesis and maintaining healthy testosterone levels.†

###### C. BENTHAMIANA

Research suggests that a particular part of this plant, extracted using modern technology, favorably supports important parameters of anabolic / androgenic performance via vasoactivity properties.†

###### C. ALBUM

A plant with a long history of traditional usage for enhancing stamina, has been studied according to modern scientific research standards and suggested to support a healthy anabolic state.\* However, only a certain part of this plant, extracted accordingly, yields a final ingredient with the desired bio-activity.†

###### T. ZEYLANICUS

A rare plant with a history of traditional usage in certain global regions, is suggested in research to promote testosterone-based performance criteria, including the ability to perform longer and more frequent under strenuous conditions.†

##### SOLID™ PROFILE

###### ANDROGRAPHOLIDE

Andrographis paniculata is an important herbal medicine which has been used for centuries in Asia. Scientific data has shown andrographolide has the potential to promote healthy testosterone levels and boost libido.†

###### PROPOLIS

Propolis is a resinous substance collected by honeybees from different plant buds. Research shows major components of Propolis are likely to have estrogen modulating characteristics.†

###### BORASSUS AETHIOPUM

Borassus aethiopum is a popular palm tree in Nigeria. Scientific evidence indicates this plant may possess anabolic and androgenic properties.†

###### PARIS POLYPHYLLA [POLYPHYLLIN D]

The steroidal saponin present in the plant Paris polyphylla that has been used as a traditional medicine in China for many years. Preliminary, experimental results suggest Polyphyllin D may have anti-estrogenic properties.†
