

ANTI-AGING AND WEIGHT LOSS*†

FEATURING PATENTED NIAGEN®

- BOOST ENERGY AND METABOLISM†
- PROMOTES WEIGHT LOSS AND ANTI-AGING†
- SUPPORTS APPETITE†
- IMPROVES ENDURANCE AND FOCUS†

“A 2-IN-1 WEIGHT LOSS AND ANTI-AGING FORMULA FEATURING NIAGEN® TO HELP INCREASE FAT BURNING, METABOLISM, FOCUS AND ENDURANCE.”

WHAT IS NIAGENIX™?

NIAGENIX™ is an Advanced Multi-Functional Weight Loss Formula designed to help you burn stubborn body fat, increase your metabolism and assist with appetite control. NIAGENIX™ combines state-of-the-art and patented ingredients including Niagen®, Alpha GPC and Grains of Paradise to help burn stored fat for energy, as well as provide you with mental clarity and focus to help elevate your performance in and out of the gym.† Feel the effects of NIAGENIX™ from the very first dose.†

WHY IS IT BETTER?

NIAGENIX™ features the clinically researched and patented anti-aging ingredient Niagen®. Niagen® is the first ever, commercially available nicotinamide ribosome, which is a precursor to NAD+. As we age, NAD+ levels begin to fall and our cells begin to deteriorate or breakdown, causing lack of energy and various health problems. Niagen® helps by boosting our NAD+ levels and creates more mitochondria (the powerhouses of our cells). Essentially, you put a halt to aging and can experience an increase in energy, endurance, cognitive function and cardiovascular health.† NIAGENIX™ is a powerful combination of weight loss and anti-aging that no person should go without!†

WHAT'S IN IT?

CARNITINE

Helps use stored body fat as energy, providing a natural, non-stimulant energy source. Carnitine also helps increase nitric oxide levels and boost performance.†

CAFFEINE ANHYDROUS

Caffeine Anhydrous is seen to be a purer form of caffeine and much more effective and potent. It provides you with a long-lasting, extreme energy boost paired with enhanced focus and alertness.†

NIAGEN®

First ever, commercially available nicotinamide ribosome, which is a precursor to NAD+. By boosting NAD+ levels and creating more mitochondria, NIAGEN® can increase energy, endurance, cognitive function and cardiovascular health.†

ALPHA GPC

An advanced Nootropic and the most effective source of choline. Choline increases acetylcholine in the brain, which is responsible for every cognitive function.†

GRAINS OF PARADISE

Spice belonging to the ginger family that can elevate core body temperature due to thermogenesis for fat burning effect.†

QUERCETIN

Strong antioxidant support for increased cellular nutrient utilization.†

LIPOSOMAL MATRIX DELIVERY SYSTEM™

One-of-a-kind delivery system designed to help enhance absorption rates and oral bioavailability. The natural encapsulation of lipophilic and hydrophilic nutrients within liposomes helps each ingredient bypass the destructive elements of the gastric system, therefore delivering nutrients to cells faster and more efficiently.†
